About the Institution

It all began with a small group of committed and dedicated philanthropists led by Colonel (Retd.) Ganga Ram Jamwal who had nothing but a strong will and determination to introduce an institution of higher learning. It was the time when students had no other options but to move to SD College Baijnath (Now PSR GC Baijnath) or Govt. College Mandi or MLSM Sunder Nagar or DAV Kangra or Govt. College Dharamshala if they had to pursue higher studies. Therefore, this group wanted to illuminate the ignorant world of humble people living at grassroot level that neither had resources nor will they be sending their children to far off places for higher learning. Then they collected a meager fund of Rs 20,000/- and anyhow the college was made functional at a small match box factory. It all happened in 1989. On 4th May 1994 the college was taken over by the government and was shifted to the present building in 1999. And today even after 32 years of consistent efforts, we proudly claim to have an institution catering to the needs of around 2000 students with high female ratio and indomitable spirit to achieve more. It is affiliated to Sardar Patel University Mandi and is located on the foothills of Dhauladhar Range of Himalaya's with lush green vegetation and fertile land. The NH-154 and narrow-gauge railway station Joginder Nagar are at a stone's throw away from the college. The college campus is spread over 5 acres area of land, connected with road facility, surrounded by civil hospital, mini secretariat, and playground and in the vicinity of agricultural land. It is located at a distance of 57 kms from Mandi district headquarter. The college is included under Section 2(F) & 12(B) of UGC Act 1956. The college is free from noise and air pollution. There is a peaceful and serene academic oriented atmosphere in the college campus with co-educational system. The college is catering to the needs of rural and backward areas providing quality education. It has progressed by leaps and bounds witnessing several landmarks during its journey towards excellence in last 32 years.
