PLANTATION DRIVE

The first activity of Eco club in the year 2024-25 is the PLANTATION DRIVE was done today by the members of Eco club. 30 students of 1st, 2nd & 3rd yr, together made the pits for the plantation, the plants were donated by the Herbal garden, Jogindewagar on the occasion of celebration of "Ek Pedh maa k naam". Mostly herbs and Tree sps are planted today. Each student adopted one plant each, so as to take proper care of the plants.

This occasion was graced by the Regional Director ^{R.G.M.C. - A, Jogindewagar.} Herbal Botanical Garden Shri Ansh Chandan & his team. They made the students aware about the Botanical name, local names & uses of these plants.

Principal R.G.M.C. Jogindewagar also accompanied the students & also planted a sapling. Other prof. from Zoology & Commerce Dept, Dr Deepak Mahan & Dr Kuldeep Singh also help the students to do the plantation.
