We are proud to share that the enthusiastic NSS volunteers actively organized the My Bharat Outreach Program. With a vision to empower and engage the youth in nation-building, our volunteers took the following steps to make this initiative a success:

- 1 Enrollment: Volunteers first registered themselves on the My Bharat Portal.
- 2 Awareness Campaign: They began spreading the idea of My Bharat among college staff and the local community including local youths.
- 3 Encouragement: By sharing the significance of this initiative, they inspired civilians and staff to join the My Bharat and contribute towards creating a stronger and united India.

Through this outreach program, we aim to foster a sense of responsibility and patriotism among the youth and community members. Let us all come together and play our part in shaping the future of our nation!
