

Report of Red Ribbon Club 2024-25

1. Nukkad Natak on AIDS Awareness

On 29 August 2024, a street play was organized with 14 student performers. This community outreach event educated the public on how AIDS spreads and its prevention. Booklets were distributed to enhance public awareness.

2. AIDS Day Celebration

On 1 December 2024, 127 students participated in AIDS Day activities. Experts from Civil Hospital

1/2

delivered lectures, and students took part in face painting, poster making, and declamation to creatively spread awareness.
