Academic Session 2018-19

Rajiv Gandhi Memorial Govt. College Joginder Nagar, Mandi, Himachal Pradesh

2.7. Student Satisfaction Survey

2.7.1. Student Satisfaction Survey (SSS) on overall institutional performance

Questionnaires and Feedback Forms are given after page number 5 onwards

For the academic year 2018-19, students' feedback was sought from 915 students about the curriculum and teaching learning process and college infrastructures.

Majority of the students 82% agreed that the method of teaching was excellent although semester was very short and syllabus was very much challenging.

Most of the students as 96% agreed that teachers covered the syllabus well in time. Around 75% of students have given excellent, 17% of students have given very good and 7% of students have given good for the satisfaction with discussion of topics with the teachers, the way seminar/quiz conducted and tutorials were given and solved.

Majority of teachers about 75% also teaches other topics other than the subject matter.

Around 49% of the students suggested that teachers have delivered the course content with good mastery, 21% of students given very good and 26% of students have given good over their respective field of specialization. These also viewed that variety in the teaching was very good and course content was delivered by the teachers in a well-planned sequence with necessary skills.

Understanding the topic is an important step in the learning process. 85% of students have excellent Level of understanding.

Teacher's motivation always helps the students to get out of their confusions about life skills and day-to-day life. Most of the students are confused about the continuation of higher studies; therefore, 63 % student agreed upon that they were motivated by the teachers for the higher studies

Student assessment is a critical aspect of the teaching and learning process. It is important for instructors to strategically evaluate the effectiveness of their teaching by measuring the extent to which students in the classroom are learning the course material. About 61% of overall assessment of teachers was excellent.
