

STUDENT SATISFACTION SURVEY (2020-21)

2.7. STUDENT SATISFACTION SURVEY (2020-21)

2.7.1. Student Satisfaction Survey (SSS) on overall institutional performance

For the academic year 2020-21, Feedback forms were distributed and performance of the teachers was evaluated on twenty one parameters (mentioned in the feedback form). The form included different questions on methods of teachings, course contents delivered, variety in teaching, percentage of syllabus completed, assignments and their assessment, usage of ICT and overall assessment of the teachers. 227 students participated in this evaluation through feedback Performa. Students were also free to give their suggestions and opinion in the space specifically provided in the feedback form.

From the comprehensive assessment of feedback forms received, it was found that 84% of the students were satisfied with the way teachers prepare and deliver their lectures. Majority of the students i.e. 70% agreed that the allocation of assignments, their assessment and internal evaluation of every subject is fair. Teachers approach towards teaching was described "Excellent" by 62% of the students. As internal assessment is the best criteria for describing students' progress; 80% of the students agreed that internal evaluation process by the teachers is always fair. Feedback forms also revealed that 61% of the students strongly agreed to the various opportunities provided by the institution to learn and grow. More than 40% of the students agreed that the teachers always encourage them to participate in extra-curricular activities for their overall development.

Student satisfactory survey showed that the overall quality of teaching learning process in this institution is very good.

SUGGESTIONS

- ✓ *From the analysis of students' feedback, it is clear that majority of the students feel that the teaching and mentoring process in the institution facilitate among them cognitive, social and emotional growth. But they also expressed their expectations towards more ICT facilities and their proper usage by the teachers. Some students also suggested that teachers should consider more of outdoor teaching and learning activities like project survey and educational tours etc.*
-

ACTION TAKEN

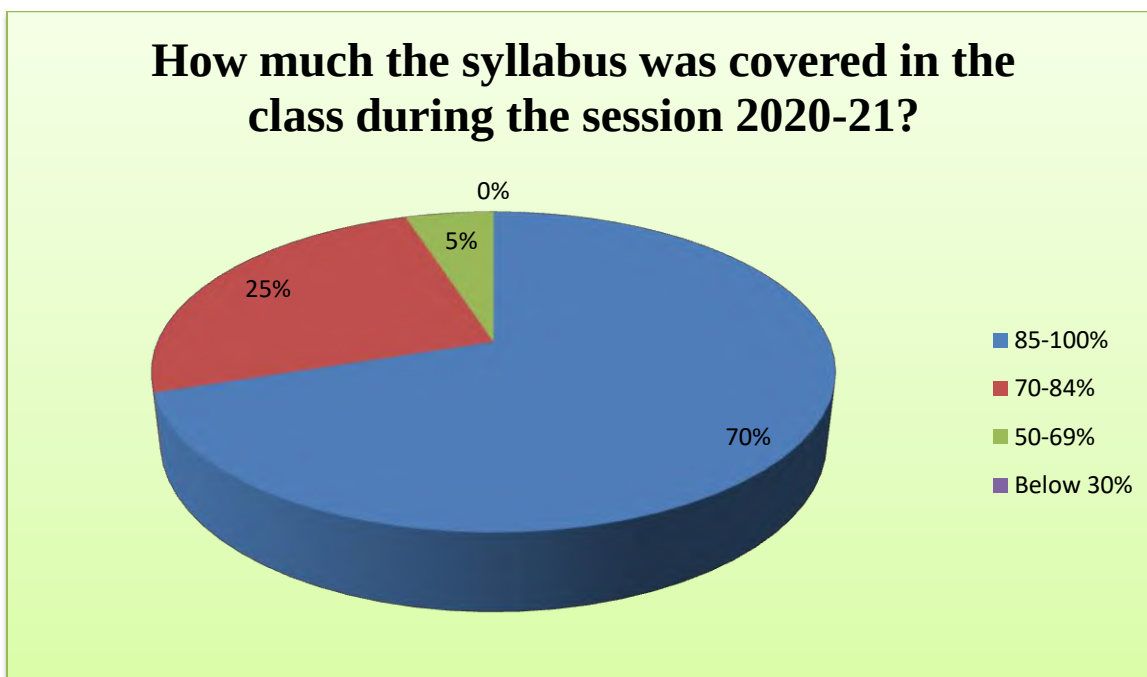

As per feedback collected from different stakeholders like parents, alumni, students, following remedial steps were taken:

- ❖ *College authority held a meeting with the worthy Director of Higher Education and apprised him about the shortage of faculty and infrastructure. As a result of this, our institution has been included in the list of college which were selected for the "UTKRISHT MAHAVIDYALA YOJNA" and an amount of One Crore Rupees was allocated for the various developmental activities.*
- ❖ *Smart classroom was established in the Science Block and there is a proposal to set up another three smart classrooms.*
- ❖ *Multipurpose Hall which will also house a Conference Hall and an Auditorium with toilet facility is about to be handed over to college.*
- ❖ *A modern well equipped canteen is near completion and is expected to become functional in the next academic session.*
- ❖ *A meeting was held with the college PTA and keeping in view the shortage of faculty, it was decide that teachers previously arranged will continue for this academic session also.*
- ❖ *As per the feedback received from the students, new reference books and competitive exam books were added to **the** library.*
- ❖ *Students' educational tours and project surveys were planned, but could not be organized due the COVID restrictions.*
